#374 Standing On The Promises

Prayer

God of Hope, we thank you for your grace and promise. We anticipate with joy the celebration of the birth of the Christ child. Let us be filled with the hope that He brought and brings. Remind us that the hope of Jesus is born anew each and every day and moment that we, His followers, follow you call and live life in His image. In the confusion of our world, help us bring clarity by placing our trust not in the people, places, and things of the world. Let us place our trust in the promise that eternity and the redemption of all creation rests in You and Your desires and design. In all that we experience may the hope of our hearts become the hope of the world. Amen.
