BRENT'S VACATION is Sept 24-Oct 1
He'll be on the water, out of reach for THE WEEK. This IS a desperately needed couple's escape for Brent and Emily. In addition to preaching and teaching, a pastor is on-call 24/7 to counsel and support folks through all manner of personal crises. As a therapist, Emily is daily walking tormented souls through the dark mazes of their deepest pain. The toll these vocations take on a human psyche is great and requires intense, intentional, regular restoration. That's what this couple is seeking in their time away together. Pray for rest and renewal!
